**Please have a look at our website-
concretenm.org. Persons may use the
website to sign up for lunches,
membership and certification classes. The
2018 Calendar is available on the website.
You may also join ACI National on the
web-concrete.org.**

**Our regular lunch meetings will be on the
4th Wednesday of the month except for
June, July August, November and
December. It would be helpful if members
offered persons to be our speaker. We still
plan on having our Golf Outing in May-
May 11, 2018 and the Annual Dinner in
November-November 10, 2018.**

**The certification schedule has been
emailed to all. For the most part, classes
are usually the second weekend of the
month. Carlos asks that all applications
be made at least 2 weeks prior to the**

**class. This will allow for study materials
to be mailed to students for study.
Examinations are offered for anyone
needing to retake an examination.
Persons must notify Carlos at least two
weeks in advance to have an exam
available.**

**Here is wishing everyone Happy Holidays
and a Prosperous New Year.**

**Membership applications Have been
emailed to all. Please join again and get a
new member.**

**Visit out the New Mexico Chapter

**We would encourage students to
join ACI National by visiting

is free with sponsorship by a
member of the faculty.**
