**The 2019 Certification calendar is now on the web site.**

**This will be the last newsletter from me. I will yield the Executive Director to Ken Wylie, with Jane Jernigan as his assistant. I will also cease to be the Examiner for Certification classes unless called in to cover. Carlos will continue as Certification Chair.**

**Currently, we have a Student Chapter at NMSU. They are a few miles away; however, we need to be proactive in their operations. Anyone interested in being the Chapter representative to the students should contact a Board member of the NMACI Chapter.**

**Our next luncheon will be April 24, 2019.**

**We have shifted our Lunch location for 2019-please take notice when the announcement comes out.**

**The Annual Golf Outing will be at the Sandia Golf course again in 2019. Wipe the dust off of the clubs and prepare to be there. LeaAnn will still be in charge of the Outing. She such a good job last year.**

**I received word from Robert Molina that he is hanging up his duties. I guess he plans to join the Super-Super Senior tour. I want to remind him that they do not sell mulligans and string on that tour!**
