Exec. Dir. -----Bill Barringer-----235-3490
Cert. Chair--Carlos Giron-----238-5419
Flatwork -----Carlos Giron-----238-5419

The 2019 Certification calendar is now on the web site.

This past year the local Chapter qualified for Outstanding Chapter. We plan on getting back to Excellent for 2018. belong.

Currently, we have a Student Chapter at NMSU. They are a few miles away; however, we need to be proactive in their operations. Anyone interested in being the Chapter representative to the students should contact a Board member of the NMACI Chapter.

Our next luncheon will be January 23, 2019.

The Annual Dinner was at the Sheraton Uptown this year. The new Officers for 2019 are as listed in this newsletter.

We will shift our Lunch location for 2019-please take notice when the announcement comes out.

This past year we had some interesting speakers for the luncheons. Anyone knowing of possible speakers please contact Jacob Hays or any other Board members.

The Annual Golf Outing will be at the Sandia Golf course again in 2019. Wipe the dust off of the clubs and prepare to be there.

Visit the New Mexico Chapter web-concretenm.org.
