

**New Mexico Chapter
PO Box 92934
Albuquerque, NM 87199**

October 2018

2018 OFFICERS

**President-----LeaAnn Marquez-617-1919
Vice Pres.-----Jacob Hays----- 821-1801
Past President---Lucas Giron-----821-1801
Director-----Miles Shiver IV----917-1908
Director-----Jacob Hays-----821-1801
Director-----Derrell Powell---286-1650
Exec. Dir. -----Bill Barringer-----235-3490
Cert. Chair--Carlos Giron-----238-5419
Flatwork -----Carlos Giron-----238-5419**

The Certification program is running along quite well. Carlos has had twelve classes plus one Flatwork Finisher class. There are one Finisher class and the Special Inspector class to come

The NMRMCA conducted a Test Fest to judge Field Techs. There were 9 techs involved. The results are still being scored.

This past year the local Chapter qualified for Outstanding Chapter. We plan on getting back to Excellent for 2018.

We were only 4 points short of the needed points to again achieve Excellent. The Chapter will review last years performance and strive for Excellent to get back where we belong.

Currently, we have a Student Chapter at NMSU. They are a few miles away; however, we need to be proactive in their operations. Anyone interested in being the Chapter representative to the students should contact a Board member of the NMACI Chapter.

Our next luncheon will be October 24, 2018.

The Annual Dinner will be at the Sheraton Uptown this year. The entertainment will be a comedian. This is not the same one that we had the past two Dinners! The notices will be in the email soon. Please plan to attend and make your reservations early.
